many people consider morrison s novels difficult to read most of her readers have at least one book on their shelves that they couldn t finish or when they did finish one just scratched their heads in confusion and when we think we are sure we know what she s writing about it turns out we are half wrong or only getting the tip of the iceberg instead of the whole beautiful brooding thing toni morrison for beginners is about the woman her books her mission her word music and all that subtext in her writings morrison s books are like the ocean the surface is beautiful but everything that gives them life lies beneath she s the kind of writer who can change your life and this book is here to help you navigate the words and the woman

stanislavski was the first person to develop a cogent and practical system of acting throughout his life he sought the answers to such fundamental questions as what is great acting and how can you find inspiration in every performance stanislavski remains the most important influence on actor training today and yet many of his ideas are little known or even misunderstood stanislavski for beginners charts the development of the stanislavski system it includes a clear exposition of the key elements of the system and explores his method of physical actions which he worked on in the years before his death and which he called the result of my whole life s work

proust for beginners is a compelling biography of french novelist marcel proust and a vivid portrait of his times it also serves as a concise guide and critical review of in search of lost time [?] la recherche du temps perdu 7 volumes 1913 1927 one of the most difficult yet widely taught works of french literature with extensive passages from in search of lost time and other essential works proust

for beginners highlights the defining themes and unique literary style of a modern master whom many have heard about but few fully fathom it portrays proust and the milieu in which he wrote in vivid detail bringing to life the proustian moments at the heart of his greatest work and our own everyday experience proust's masterpiece begins in a series of rooms in which he unlocks themes styles references and foreshadows writes harold augenbraum in the foreword proust for beginners will provide the key

a crowd of onlookers gawked from the sidewalk as four young black men dressed in black leather jackets and berets leaped from a volkswagen each of them wielding shotguns with bandoliers strapped across their bodies the young men surrounded two white police officers who had accosted a black man and had him spread eagled against a building the young men did not say a word as the police officers watched them nervously their eyes fixed on the shotguns one of the young men held a large law book in his hand this was the black panther party in ideal action the real story the whole story was both more and less heroic so begins black panthers for beginners the late 1960s when the panthers captured the imagination of the nation's youth was a time of regulation while their furious passage was marked by death destruction and government sabotage the panthers left an instructive legacy for anyone who dares to challenge the system herb boyd has done exhaustive research

examined the claims of all parties involved and boiled the story down to the truth we believe this is the most truthful book on the market but each panther has his or her own story to tell we suggest that you check out the stories of all the black panthers

this book completes the author s study of the sociology of the literary process in soviet russia begun in the making of the state reader social and aesthetic contexts of the reception of soviet literature stanford 1997 the author demonstrates that socialist realism is not so much directed as it is self directed the transformation of the author into his own censor is the true history of soviet literature
